

# Micro-Lynx

MICRO-LYNX 840 GX53 6W SLV

0035903

## Range features

## PRODUCT OVERVIEW

|                            |                     |
|----------------------------|---------------------|
| Ordering number            | 0035903             |
| Technology                 | Compact Fluorescent |
| Light colour               | 840 Cool White      |
| Energy class               | A                   |
| Average life (Rated) (h)   | 2000                |
| Lamp shape                 | Disc                |
| Lamp finish                | Clear               |
| Dimmable                   | No                  |
| Cap/Base                   | GX53                |
| Type                       | GX53                |
| EAN code                   | 5410288359038       |
| CRI (Ra)                   | 80                  |
| Colour temperature (K)     | 4000                |
| Luminous flux (Rated) (lm) | 235                 |
| Efficacy (Rated) (lm/w)    | 39                  |
| Watt (Nominal) (W)         | 6                   |
| Voltage (V)                | 220-240             |

## DATA TABLE

## General data

|                                                        |                            |
|--------------------------------------------------------|----------------------------|
| Dry applications use only                              | Yes                        |
| Technology                                             | Compact Fluorescent        |
| Ordering number                                        | 0035903                    |
| Energy saving lamp                                     | Yes                        |
| Average life (Nominal) (h)                             | 10000                      |
| Average life (Rated) (h)                               | 2000                       |
| Energy class                                           | A                          |
| Lamp finish                                            | Clear                      |
| Lamp shape                                             | Disc                       |
| Dimmable                                               | No                         |
| Cap/Base                                               | GX53                       |
| Type                                                   | GX53                       |
| EAN code                                               | 5410288359038              |
| E-number SE                                            | 8357591                    |
| E-number FI                                            | 4940419                    |
| Product name                                           | MICRO-LYNX 840 GX53 6W SLV |
| Lamp mercury content (mg)                              | < 2,5 mg                   |
| Starting time (max) (s)                                | 0,9-1,5 s                  |
| Warm-up time to 60% of full light (max) (s)            | 4 s                        |
| Control gear required                                  | NO                         |
| Intended purpose                                       | General lighting           |
| No. of switching cycles before premature failure (min) | 10000                      |
| Transformer required                                   | No                         |
| Sales pack quantity                                    | 20                         |

## Optical data

|                                              |                |
|----------------------------------------------|----------------|
| Light colour                                 | 840 Cool White |
| CRI (Ra)                                     | 80             |
| Colour temperature (K)                       | 4000           |
| Luminous flux (Rated) (lm)                   | 235            |
| Lumen maintenance at end of nominal life (%) | 85             |
| Luminous flux (Nominal) (lm)                 | 235            |

### Physical data

|                                                   |                      |
|---------------------------------------------------|----------------------|
| <b>Weight (kg)</b>                                | 0.05                 |
| <b>Lamp Length (mm) - C/L</b>                     | 15,2 mm              |
| <b>Max. Lamp Diameter (mm) - D</b>                | 75,2 max.            |
| <b>Single packaging type</b>                      | Box/Sleeve           |
| <b>Single package dimensions (L x W x H) (cm)</b> | 8.10 x 8.10 x 2.70   |
| <b>Outer package dimensions (L x W x H) (cm)</b>  | 28.00 x 19.50 x 9.20 |
